

Power Plug Lockout P550

Seite 1 von 1

SECURE PLUGS AGAINST UNAUTHORIZED CONNECTION A POWER SUPPLY

The plug lockouts are available in two sizes for standard or high-voltage current plugs.

The plug is tightly enclosed so that the machine or device cannot be connected to the power supply.

Technologies

- High-quality polypropylene: long-lasting, robust and non-conductive
- 2 Sizes: For standard plugs or high-voltage plugs
- Cable tunnel on both sides to secure plug connections
- Warning stickers in different languages included
- Holds up to 4 padlocks with up to 23/64" shackle diameter

Use and application

- Block access to power plugs during maintenance

Variants

- P110: Small, for standard plugs
- P550: Big, for high-voltage plugs
